Dear Sirs,

Re: Gamma Irradiation Services

We are pleased to learn that you have a Gamma Irradiation facility for processing various products. We are desirous of availing your services.

We shall be sending you our semi finished products for processing duly packed in corrugated boxes through our transport and hereby request you to deliver the processed goods to our transporter when he comes for collection with the order registration form. We shall bear all the transportation charges.

Also please note that we have obtained requisite insurance for the goods to cover all risks of loss/ damage while they are in transit and/ or in your premises.

In case of any claims arising out of products Irradiated by AVPPL, AVPPL's liability, if any, will in no case exceed process charges paid by us to AVPPL for such product. No claims will be entertained after six month's from the processing date.

Kindly note that our products do not require temperature controlled storage and can be stored at ambient temperature at your premises.

Thanking you,

Yours truly,
